NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with the Australian Charities and Not for profits Commission Act 2012 and Australian Accounting Standards Reduced Disclosure Requirements, Interpretations and other applicable authoritative pronouncements of the Australian Accounting Standards Board.

The financial report covers Kids Under Cover as an individual entity. Kids Under Cover is a company limited by shares, incorporated and domiciled in Australia. Kids Under Cover is a not for profit entity for the purpose of preparing the financial statements.

The financial report was approved by the directors as at the date of the directors' report.

The following are the significant accounting policies adopted by the company in the preparation and presentation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(A) BASIS OF PREPARATION OF THE FINANCIAL REPORT

Historical Cost Convention

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non current assets, financial assets and financial liabilities. Cost is based on the fair values of the consideration given in exchange for assets.

(B) INCOME TAX

No provision for income tax has been raised as the company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

(C) REVENUE

Investment income

Investment income comprises of interest revenue and is recognised when it accrues.

In kind donations

Goods and services donated to the company are included at fair value to the company where this can be quantified. No amounts are included in the financial statements for services donated by volunteers. Goods donated for resale, raffle and auction are included as income when they are sold.

Asset sales

The gain or loss on disposal of all non current assets is determined as the difference between the carrying amount of the asset at the time of disposal and the net proceeds on disposals.

All revenue is measured net of the amount of goods and services tax (GST).

(D) CONTRIBUTIONS GOVERNMENT GRANTS AND DONATIONS

A non reciprocal contribution or grant is recognised when the entity obtains control of the contribution or grant and it is probable that the economic benefits will flow to the entity, and the amount of the contribution or grant can be measured reliably.

If conditions attached to the contribution or grant that must be satisfied before the entity is eligible to receive the contribution, recognition of contribution or income is deferred until those conditions are met.

A non reciprocal donation is recognised when the right to receive a donation has been established.

When the entity receives grants but is obliged to give directly approximately equal value to the contributor, recognition of grant income will be deferred until the delivery of service.

(E) FINANCIAL INSTRUMENTS

Donated financial assets

Financial assets donated to the group are recognised at fair value at the date the group obtains the control of the assets.

(F) PROPERTY, PLANT AND EQUIPMENT

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

Any property, plant or equipment donated to the company or acquired for nominal cost is recognised at fair value at the date the company obtains control of the assets.

Houses

Houses are carried at deemed cost less, where applicable, accumulated depreciation.

The land on which the houses are situated is utilised under a long term lease from the government and is not owned by the company.

Houses where the asset value is expected to be realised within the next 12 months, are considered assets held for sale, and have been reclassified as such. Other houses remain classified as property, plant and equipment.

Studios

Studios are carried at deemed cost less, where applicable, accumulated depreciation and accumulated impairment losses.

All studios currently held, irrespective of funding source, are the property of the company.

Plant and equipment

Plant and equipment is carried at cost less accumulated depreciation.

Depreciation

Items of property, plant and equipment (other than land) are depreciated over their useful lives to the company commencing from when the asset is held ready for use. Depreciation is calculated on a straight line and diminishing value basis over the expected economic lives as follows:

CLASS OF FIXED ASSET	DEPRECIATION RATES	DEPRECIATION BASIS
Houses at cost	5%	Straight line
Studios at cost	25%	Straight line
Leasehold improvements at cost	33%	Straight line
Motor vehicles at cost	25%	Diminishing value
Office equipment at cost	5% – 40%	Diminishing value

(G) IMPAIRMENT

At the end of each reporting period, the company assesses whether there is any indication that an asset may be impaired. The assessment will include considering external sources of information and internal sources of information. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Comprehensive Income.

Depreciated replacement costs is used to determine value in use. Depreciated replacement costs is the current replacement cost of an asset less, where applicable, accumulated depreciation to date, calculated on the basis of such cost.

(H) EMPLOYEE BENEFITS

(i) Short term employee benefit obligations

Liabilities arising in respect of wages and salaries, annual leave and any other employee benefits (other than termination benefits) expected to be settled wholly before twelve months after the end of the annual reporting period are measured at the (undiscounted) amounts based on remuneration rates which are expected to be paid when the liability is settled. The expected cost of short term employee benefits in the form of compensated absences such as annual leave is recognised in the provision for employee benefits. All other short term employee benefit obligations are presented as payables in the statement of financial position.

(ii) Long term employee benefit obligations

The provision for other long term employee benefits, including obligations for long service leave and annual leave, which are not expected to be settled wholly before twelve months after the end of the reporting period, are measured at the present value of the estimated future cash outflow to be made in respect of the services provided by employees up to the reporting date. Expected future payments incorporate anticipated

future wage and salary levels, durations of service and employee turnover, and are discounted at rates determined by reference to market yields at the end of the reporting period on high quality corporate bonds that are denominated in the currency in which the benefits will be paid, and that have terms approximating to the terms of the related obligation. For currencies in which there is no deep market in such high quality corporate bonds, the market yields (at the end of the reporting period) on government bonds denominated in that currency are used. Any remeasurements for changes in assumptions of obligations for other long term employee benefits are recognised in profit or loss in the periods in which the change occurs.

Other long term employee benefit obligations are presented as current liabilities in the statement of financial position if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting date, regardless of when the actual settlement is expected to occur. All other long term employee benefit obligations are presented as non current liabilities in the statement of financial position.

(I) LEASES

Leases are classified at their inception as either operating or finance leases based on the economic substance of the agreement so as to reflect the risks and benefits incidental to ownership.

(J) GOODS AND SERVICES TAX (GST)

Revenues, expenses and purchased assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(K) COMPARATIVES

Where necessary, comparative information has been reclassified and repositioned for consistency with current year disclosures.

(L) ECONOMIC DEPENDENCY

The company is dependent upon the ongoing receipt of grants and donations to ensure the continuance of its studio and scholarship programs.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF KIDS UNDER COVER

Responsibilities of Management and Those Charged with Governance for the Financial Report

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the ACNC Act and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.

Auditor's Responsibilities for the Audit of the Financial Report (Continued)

- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

THANK YOU

During 2016/17 our vision of a community where no young person is homeless was shared by so many.

On behalf of the young people and families we support, the team at Kids Under Cover sincerely thank all of our patrons, ambassadors, funders and donors. Thank you to all of our individual, community, philanthropic, corporate and government supporters, the generous organisations who provided pro bono services, our building crews, and every volunteer who gave their valuable time and skills to enable us to do what we do.

Every dollar given and every hour of support gifted is vital, and ensures that we can continue to make a difference to the lives of so many young people. Thank you.

WANT TO GET INVOLVED?

There are a variety of ways to be involved in the work we do at Kids Under Cover. Without the support of like-minded people, we could not continue to pursue our vision of a community where no young person is homeless.

MAKE A DONATION

Every donation, large and small, does make a difference. You can donate easily online at kuc.org.au OR call us 1800 801 633.

DONATE YOUR CAR®

Our Donate Your Car® program is free, tax-deductible, and a fast alternative to selling or trading your vehicle.

FUNDRAISE FOR US

There are many opportunities to fundraise for us throughout the year, from taking part in a fun run event to holding your own event.

WORKPLACE GIVING

A regular, pre-tax donation straight from your pay is easy to setup and you receive tax benefits.

CORPORATE BUILD PROGRAM

Build your team while building a brighter future for young people. For partners who contribute to the funding of a studio, Kids Under Cover can provide a unique team building experience for staff and other volunteers.

REGULAR GIVING

Much like workplace giving, regular giving is a commitment to donate on a regular basis.

LEAVE A GIFT IN YOUR WILL

Choosing to leave a bequest is a lasting and generous legacy, which will benefit young people beyond your lifetime.

VOLUNTEERING OPPORTUNITIES

Volunteers are the backbone of many things we do throughout the year. Often we have opportunities for you to become involved as a volunteer at our events, in the office and at other community fundraising events.
